

EXPRESS PASS

The Universal® Express Pass enables visitors to skip the standby line at most attractions and shows within Universal Studios, Islands of Adventure, and Epic Universe.

At selected rides and attractions, guests can enter through a special Express Lane, which provides notably shorter wait times and often a walk-on experience.

For participating stage shows, guests enjoy early access to the venue ahead of general admission, securing better seating. To utilize the Express Pass for shows, guests need to arrive 10-15 minutes prior to the start time for admission.

With this pass, guests can re-ride attractions and attend shows as many times as they desire throughout the day. Prices start at \$109 and go up to \$349.99* for adults and kids.

Express Passes can be purchased for either 1 Park or 2 Parks (which can be used alongside a Park to Park ticket) and are available for an additional day during your visit.

EXPRESS PASS

Volcano Bay

EXPRESS PASS AT VOLCANO BAY

Volcano Bay features a distinct Express Pass system, as its attractions function differently from conventional queue-based lines. Instead of standing in line, visitors at Volcano Bay utilize a wearable device called TapuTapu, which allows them to secure their spot in a "virtual line" for rides. This innovative system enables guests to explore other park attractions, such as wave pools and lazy rivers, while they wait for their turn.

Since the rides at Volcano Bay depend on virtual queues, the Express Pass eliminates the necessity for TapuTapu reservations, granting passholders access to a shorter waiting line directly at the attractions. The park's water-themed rides and virtual queue system make these exclusive Express Pass options crucial for ensuring a seamless guest experience and minimizing wait times.

EXPRESS PASS PRICING

For Universal's Volcano Bay, there are two types of Express Passes offered:

- Volcano Bay Express Pass: This pass enables guests to bypass the virtual line once for each participating attraction, including favorites like the Krakatau Aqua Coaster and family raft rides. The price for this pass varies from \$19.99 to \$139.99, depending on demand.
- Volcano Bay Express PLUS Pass: This option grants skip-the-line access to all participating rides and attractions at Volcano Bay, also once per ride. The Express PLUS Pass starts at approximately \$49.99 per person, with prices varying based on the season and crowd levels.

These passes can be conveniently added to your vacation package at any time leading up to your vacation. Contact your travel advisor for more details.
