When visiting Walt Disney World Resort, guests who require a stroller or mobility device have several options to choose from:

- They can use their own stroller or mobility device.
- They can rent directly from Walt Disney World
 - Pricing shown above, note that these do not provide storage space or a console.
- Rent from ScooterBug, the official provider endorsed by Disney.
 - This is the only third party permitted to deliver to your Disney resort without you present.
- Rent from another third-party company.
 - Kingdom Strollers - pickup location at Orlando Airport (MCO).

General Policies

- Rentals are available at all four theme parks and Disney Springs.
- Both strollers and ECVs must be returned before leaving the park.
- If you park hop, present your same-day rental receipt at the next park to request a new stroller or ECV.
- Quantities are limited and rentals are first-come, first-served.

ECV (Electric Conveyance Vehicle) Rentals

- Must be 18 years or older with a photo ID to rent.
- ECVs can accommodate one person and include a small basket for belongings.
- Rental counters are typically located right inside the park entrances.
- If none are available, you may be added to a waitlist and contacted if one becomes free.
